Job Objective: To obtain a position in Graphic Design, using my experience gained from work and education.

Work Experience:

McFarlane Design Group

15 Hamburg Turnpike
Bloomingdale, NJ 07403

July 2007 - Present

Packaging Designer - I create dynamic and interesting packaging designs for various licensed action figures for NFL, NHL, MLB, NBA, Guitar Hero, and Halo. Mock-up all packaging designs for sales meetings and store plan-o-grams. Prep files to send to the factories in Hong Kong for production.

SunPro Graphics

299 Route 1 South
Edison, NJ 08817

June 2006 - July 2007

Graphic Designer - Took projects from concept, to creation, to printing and laminating, and application. Created and maintained business relationships with clients. Designer of business collateral such as business cards and brochures, as well as designing signs, banners, window graphics, and vehicle wraps for businesses of all sizes. Maintained and printed approved files with a Roland SolJet wide format printer. Laminated vinyl graphics for vehicle wraps and stickers. Applied vinyl to substrates and vehicles.

McFarlane Design Group

15 Hamburg Turnpike
Bloomingdale, NJ 07403

July 2003 - June 2006

Packaging Designer - Designed packaging for various types of collectable figures, including MLB, NFL, NASCAR, The Beatles, and other celebrity music and movie stars/characters. Product art and packaging designer for Tim Burton's Corpse Bride movie products which include but are not limited to shot glasses, mugs, and key chains. Cataloging photography of products at various stages of production.
